A Call To Men believes that men's violence against women is a very important issue that we as a community must begin to address. Through our travels we have identified the need for a space to be provided for men of color, women of color and our allies to discuss domestic violence and sexual assault in our communities. We are excited and honored to have you join us in this collective effort to increase our knowledge while strategizing and organizing to end violence against women in communities of color.

Conference Co-Sponsors Include: *Altria Group Inc. – Louisiana Coalition Against Domestic Violence & their Women of Color Task force – Louisiana Foundation Against Sexual Assault - Men Stopping Violence - Peoples Institute for Survival and Beyond - Institute on Domestic Violence in the African American Community - Metropolitan Center for Women and Children, New Orleans, La. - P.S.A.L.M. Fellowship Monroe, La.*
