Dr. David Garvin
Batterer Intervention Services of Michigan
2627 N. East St.
Lansing, MI 48906

Dear David,

Having discussed often the value of a national conversation between batterers programs, the Palmetto Association of Family Violence Intervention Programs, at its general meeting, May 13 in Columbia, SC, reviewed the information received announcing the From Roots to Wings National Conference, Nov. 2,3,4 in Detroit. The Palmetto Association is a network of 16 programs across South Carolina providing intervention in family violence. We unanimously took action endorsing the conference and will work with our member agencies to encourage participation.

Thank you very much.

Sincerely,

Ray White, Treas.
