Dear Mr. Garvin:

I am pleased to inform you that the Board of Directors of the Prosecuting Attorneys Association of Michigan voted to support your efforts to create a process to monitor and certify batterer intervention programs that follow and fully implement the Michigan Batterer Intervention Standards. PAAM's support is in keeping with the belief that batterer intervention programs that adhere to Michigan's standards are an important part of batterer accountability and public safety. PAAM and its members hope that this support will help in your efforts.

Very Truly Yours,

Charles H. Koop
