One major change is that to be eligible to vote at general membership meetings, you must now hold an Individual Membership. Domestic Violence Survivor Services Organizations who do not run a batterer intervention program will continue to enjoy free membership.

BISC-MI 2005 membership is now due! Because we want to thank all members who have assisted and supported our growth and to encourage new members, we are offering you a *one time membership opportunity*. If you join by April 22, 2005, your membership will be effective through **December 31, 2006**. Any membership paid after April 22, 2005, will be effective only until **December 31, 2005**.
